

Complaints Handling and Grievance Procedure

Scope

This policy is an approved policy of the South Australian Little Athletics Association INC. Affiliated members of the association are required to adhere to this policy and are encouraged to adopt this at Centre level for the benefit of all members of the association.

Purpose

The purpose of this Regulation is to outline the process for dealing with complaints and/or grievances from members which are submitted or referred to the Association. A grievance means any type of problem, concern or complaint about a member's involvement with the Association. This procedure will be interpreted in accordance with the Constitution.

Definitions

Complaint	A complaint is defined as a formal expression of dissatisfaction with some aspect of the Association's services, policies and procedures, whether justified or not. A complaint does not include a request for information or clarification of Association rules, policies, procedures or decisions.
Complainant	The person lodging the complaint.
Respondent	The person against whom a complaint has been lodged.
Minor Complaint	A complaint dealing with a matter that can be explained or resolved by existing rules, policies and procedures.

Lodging a Complaint

- a) Complaints may be lodged with the Association:
 - i) In person;
 - ii) By telephone; or
 - iii) By facsimile, email or letter.
- b) Complaints should detail the name, address and contact phone numbers of the complainant, together with a brief description of the problem.
- c) Only complaints where the complainant has identified him/herself will be dealt with under this Regulation. It is expected however that the validity of anonymous complaints will be assessed and corrective action taken, if necessary.
- d) The Association will not disclose the identity of a complainant if that complainant requests that his/her details remain confidential. However, in some cases, it may not be possible to resolve a complaint unless the complainant agrees to the disclosure of his/her identity.

Complaint and Responsibility Referral

Matters Relating to Little Athletics Centres/Zones

- a) Where a complaint is about an incident, person or operation at a Little Athletics Centre and the matter has not been brought to the attention of that Centre for attempted resolution, the matter should be referred back to the Athletics Centre in the first instance.

- i) If the complaint is made by phone, the complainant is to be given details of the Little Athletics Centre and the person with whom they should lodge the complaint.
 - ii) If the complaint is received in writing, a copy of the complaint, along with a covering letter is to be sent to the Centre Co-ordinator or appropriate person at the Little Athletics Centre. A letter is also to be sent to the complainant advising that the matter has been referred back to the Little Athletics Centre, giving details of the Little Athletics Centre contact it which was used in the letter.
- b) If the complaint is unable to be satisfactorily resolved at Centre level, the matter may be referred to the Association to be dealt with.

Matters Relating to the Association

- a) In the case of verbal complaints received by telephone or in person, all staff are empowered to resolve minor complaints, within their sphere of knowledge, wherever possible, at first contact. If the complaint is of a more significant nature, the matter will be referred to the CEO.
- b) Written complaints (letter, email, facsimile) will be passed on to the CEO for attention.

Complaint Handling Process

Minor Verbal Complaints

- a) If the complaint is of a minor nature and it is believed that an employee can deal with the matter on the spot to attempt resolution, then the complaint will immediately be referred to that person, who will address the complainant's concerns in a detailed and complete manner, outlining how or why the situation or incident occurred, being clear on what solutions can be offered.
- b) If the complaint requires further investigation, the complainant will be advised of the course of action and provided with a target date for a response.
- c) Following discussion and/or investigation, if the complaint cannot be satisfactorily resolved, it must be documented by the complainant and forwarded to the Association as a written complaint.
- d) If it is determined that the complaint has arisen due to an error by the Association, the matter will be referred to the CEO to investigate an appropriate course of action.
- e) All verbal complaints must be documented by the employee, detailing the name address and contact details of the complainant, together with a brief description of the problem and the resolution/outcome. The completed form/report will be passed onto the CEO for corrective action (where required); recording in the Complaints Register; and filing.

Written Complaints

- a) All written complaints will be forwarded to the CEO.
- b) Written acknowledgement of the complaint will be sent to the complainant along with an explanation of the procedure to be applied. A target date for providing a response will also be advised.
- c) If the complaint is about another person, that person should also be told about the procedure and the target date for resolution.
- d) All complaints should aim to be resolved within 14 days. If the outcome of the investigation is delayed, the complainant will be contacted, and where applicable the person who is the subject of the complaint, to keep them informed as to the progress.
- e) The CEO or their appointee will review the complaint and investigate as they consider appropriate. This may include contacting/interviewing witnesses and/or other persons involved. Written records will be kept of all meetings, telephone conversations and other

- documentation.
- f) Once all of the relevant facts have been established, the CEO will produce a written response to the complainant, or may refer the matter directly to the Board. Such response will include a full explanation of the decision and the reasons for it and where applicable and appropriate, the action the Association will take to resolve the complaint.
 - g) Prior to writing to the complainant to report the outcome of the investigation, the CEO will discuss the complaint and the findings with at least one member of the Board.
 - h) Following the response from the CEO, if the complainant remains unsatisfied; the complainant may refer the matter to the Board or directly to the Grievance Tribunal.
 - i) If the complainant remains unsatisfied following any further investigation and review by the Board, the complaint will be considered a dispute and the matter will be automatically referred to the Grievance Tribunal.
